## THANK YOU FOR SUPPORTING THE TALLEBUDGERA SURF CLUB

You are helping to save lives. The most recent patrol season took place from September 2020 to May 2021. During this time over 44,000 people were recorded visiting the beach outside the Club. 46 people were treated with first aid, 38 incidents were attended to, 20 rescues were performed, and 209 preventative actions were made to keep swimmers safe. All this work was completed by the 223 volunteer surf life savers of the Tallebudgera Surf Club.

Every time you enjoy a drink, have a bite to eat, play a game of Keno or play the pokies you are contributing to the training and equipment our Life Savers need to keep the beaches safe.
