## Thank you for supporting the Tallebudgera Surf Club!

You are helping to save lives. Between September 2021 to May 2022, 61,612 people were recorded visiting the beach outside the Club. 51 people were treated with first aid, 19 incidents were attended to, 5 rescues were performed, and 356 preventative actions were made to keep swimmers safe. All this work was completed by the 226 volunteer surf lifesavers of the Tallebudgera Surf Club.

Every time you enjoy a drink, have a bite to eat, play a game of Keno or play the pokies, you are contributing to the training and equipment our lifesavers need to keep our beaches safe.
